Resubmitted “Amendments to the Claims” Section

The following is in response to the Notice of Non-Compliant Amendment dated 02/21/2006. The amendment filed on 3/9/05 was considered non-compliant because it had failed to include claims 12-14 in the listing.

Claims 12-14 have been withdrawn since they were directed to a non-elected invention (see Office Action dated 10/06/2004).

The following is a corrected “Amendments to the Claims” section in its entirety, in which the status of claims 12-14 is identified clearly and correctly as withdrawn.

A clean copy of the amended claims is attached, which is identical to the one included in the amendment submitted on 3/9/05.
